Eastwick years 5 & 6
After school club

We are back with a new ComputerXplorers after school club this term. This club is for any children in years **5 & 6.** ComputerXplorers leads the way in providing technology-based activities that are both inspirational and aspirational.

Sploder: Students will develop computer based games in an environment with a 'fun first' emphasis. They will be challenged to concentrate on game creativity and strategy without having to overcome the hurdle of learning coding and programming.

And, if we are lucky, they just might learn some cool computer science stuff along the way!

Makey Makey: We will use the Makey Makey kit to teach the children about electrical circuits, programming and physical computing. We will play video games with vegetables and create our own dance mat. The children will work in groups of two during the course.

We understand how children learn

Our educational technology experts design instructional classes that challenge children yet set realistic expectations for performance. By understanding what children should be able to accomplish, we can deliver sessions that give children the best possible technology experience and enormous fun.

The details

➡ Each lesson will last one hour after school on a **Monday**. Please collect your children at 4.20 pm

➡ Dates: Sept 25, Oct 2, 9, 16, 30, Nov 6, 13, 20, 27, Dec 4, 11

➡ Cost for the 11 sessions is **£70 per child**.

➡ We will confirm your place on the course by email

➡ We will send class updates out by email after each lesson. **We will not pass your email on to any other party.**

How do I register?

To book a place on this course go our website (address below) and click on the 'book a class' button at the top of the page, or find 'Book a class in the 'About' menu.

www.westsurrey.computerxplorers.co.uk

From the list of courses available select **Eastwick years 5 & 6 Autumn 17** and complete the details requested.

Please take care to ensure that you are registering your child on the correct course
