

We Shine

We Shine is a not for profit organisation dedicated to supporting the families of young children with additional needs in the Surrey area.

We organise play sessions, family activities, and parent socials. We have a network of support for our parents and deliver monthly sessions covering various themes with strategies and ideas for parenting and supporting children with additional needs.

We celebrate diversity and treat all of our members respectfully and without judgement.

Feel free to get in touch via our Facebook page, or visit www.we-shine.org.uk
