

The Eastwick Curriculum

We offer a curriculum which is balanced and broadly based and which:

- promotes the spiritual, moral, cultural, mental and physical development of pupil
- prepares pupils for the opportunities, responsibilities and experiences of later life.

The school curriculum comprises the national curriculum, the Eastwick curriculum drivers and an informal programme of extra curricular activities.

New National Curriculum (2014)

The Government released a new National Curriculum which was implemented from September 2014. The National Curriculum provides a necessary framework and ensures continuity throughout the child's school life. The National Curriculum provides pupils with an introduction to the essential knowledge that they need to be educated citizens. It introduces pupils to the best that has been thought and said; and helps engender an appreciation of human creativity and achievement.

For more information on our approach to teaching English and Mathematics, please refer to our English and Mathematics policies.

The Eastwick Curriculum drivers

Our curriculum is underpinned by the following curriculum drivers:

- building resilience,
- inspiring creativity,
- living values,
- promoting a love for learning.

Extra curricular activities

Our school curriculum is enhanced by providing children with a range of extra curricular activities which include: music lessons, language clubs, sport clubs and creative clubs. We are constantly evaluating the needs of our children and use pupil voice to inform us of our pupils extra curricular wishes.

Year group curriculum maps

The curriculum is designed by each year group to meet the National Curriculum end of key stage expectations and is underpinned by our curriculum drivers. Please find attached our curriculum maps for the Autumn term.
