Dear Parents and Carers,

As you will be aware, we have been eagerly awaiting the published report from Ofsted which we have now received.

I am delighted to say that Eastwick Junior School has been judged as a "good school". You will see from the attached report that the two areas of development are already included in our School Development Plan. However, after half term we will create an additional action plan to address these areas and will share this with parents as soon as possible.

An electronic copy of the report is attached, however paper copies are available from the school office if preferred. In addition, the report will be available on our school website.

I would like to take this opportunity to thank the whole school community for their continued support.

Yours sincerely,

Mrs Karen O'Brien
Headteacher
