CELEBRATION OF WORK EVENING – TUESDAY 18th JULY 2017

The evening is a wonderful opportunity for parents and children to pop into school between 5.00pm and 7.30pm to look at their children's work and to have a look in their child's new classroom for September. We look forward to what will be a relaxed and enjoyable evening

CHILDREN'S WORK

On the last day of term your children will be bringing home all their books and work that they have created over the last year, so please can we ask you to send them in with a large carrier bag.

YEAR 2 CYCLING SAFETY DAY

Can we please remind parents to send their Year 2 child into school with their bike and helmet on Wednesday 19th July for their cycling safety session. Bikes should be left in the following areas at the beginning of the day:

Turquoise Class	by the railings of the sloping path
Green Class	in the Quiet Area
Violet Class	on the top playground against the fence

SUMMER PLAYScheme - INFORMATION FOR THOSE WITH CONFIRMED SPACES

Mrs Debbie Ellis, the club manager, will be emailing more detailed information about the summer playscheme at the end of term to those parents who have booked spaces.

MEDICATION

Please could we ask parents and carers to come and check any medication held in school for their child. The end of term is a good opportunity to check the use by dates and/or take away any medication no longer needed. In particular please could we ask that all medication for Year 2 children is picked up on the last day of term.

INFLATABLE ASSAULT COURSE!

As an end of term treat the Friends have organised an inflatable assault course for the Infant children on Thursday 20th July! For reasons of safety please can we ask parents to be especially vigilant before and after school on Thursday to ensure that children are not near this area. Classes will be visiting the assault course during the school day and we hope that an enjoyable time will be had by all!

FRIENDS UPDATE

The Eastwick Ironman!

A reminder that this Sunday Eastwick parent, Dan Barnard, will be undertaking a 2.4 mile swim, 112 mile cycle ride and 26 mile run around Bolton as part of Ironman UK. Dan is generously donating all sponsorship money raised by Eastwick parents to the schools. We know that there are many calls for donations at this time of year but if you could sponsor Dan a small amount and leave him a message of support he'd be very grateful! Just follow the link below please. Thank you!
