MOVE UP DAY

We would like to remind parents that next Wednesday 5th July children will be spending all or part of the day in their new classes with their new class teachers. In the morning, children should make their way as usual to their current class for registration and should be collected as usual at 3pm. ***Please could we remind parents of Year 2 that all children should bring in a packed lunch.***

Letters providing details of your child's class teacher for September will be sent home with children on Tuesday 4th July. We would encourage parents to discuss this with their children to prepare them for move up day. For children not involved in move up day, a separate letter has been sent home with details of the activities taking place for them throughout the day.

Eastwick Junior Induction Evening For New Year 3 Parents

The induction evening for parents and carers of children joining the Juniors for Year 3 in September will take place in the Junior School Hall on Tuesday 4th July at 7.30pm.

DBS VALIDITY

Parents/carers and volunteers are reminded that in order to maintain the validity of their school DBS clearance they must have helped in school or on a trip during the Summer term. With three weeks of the term remaining please speak with your class teacher if you are able to help before the summer holidays. Unfortunately DBS clearances will not be valid in September if they are not used this term.
Thank you for your support.

SPORTS DAY – MONDAY 3RD JULY AT 1.30PM

- Children should come to school in their PE shorts/sports mufti and wearing a t-shirt in their team colour.
 - Allocated teams and colours will be displayed in classroom windows.
 - Children should wear trainers or plimsolls.
- Please ensure sun cream has been applied to your child or is available in school (clearly named).
 - Each child should bring in **two bottles of water and a sunhat.**

Parents, siblings, friends and family are very welcome to come along to support the children throughout the afternoon. The event will take place on the top field at 1.30pm and the back gate will remain unlocked for the afternoon. However, please ensure the gate is closed after entering the school site. Please could we ask that parents/carers remain on the top field at the end of the afternoon until the children have returned to their classrooms. We look forward to what we hope will be a warm and sunny day!

STAFFING

We would like to share that Mrs Nicky Hill, our junior school music teacher, will be leaving us at the end of term. Mrs Hill is keen to spend more time with her young family and I am sure you will join us in wishing her all the very best for the future.

VACANCIES

There are a number of caretaker vacancies across the THPT schools, one of which is for Eastwick. Further information is available in the attached advertisement.

IMPORTANT E-SAFETY UPDATE

Whilst the minimum age for SnapChat is 13, Mrs O'Brien felt it important to share with you an update to this mobile app that allows users to capture videos and pictures that self destruct after a few seconds. Last week SnapChat, used regularly by many children and young people, launched a new feature. SnapMaps allows users to see the location of their contacts. This feature allows others to accurately pinpoint where you are and there are three possible privacy settings:

- Ghost mode, where only you can see your position;
- My Friends mode, where any contact can see your location; and
- Select Friends mode, just those who you choose can see you

ChildNet have posted a thorough explanation of SnapMaps and how to ensure users stay safe via the following link:
