

Le Club Français

Learn French the fun way

We are pleased to invite your child to join our **lunch time French club** for Reception and Year 1 pupils at Eastwick Infant School.

Tuesday lunch time

Le Club Français offers a structured, fun and interactive language course for primary school children. Organised within small club sessions, children learn through verbal and physical participation. French is taught in an engaging and informal way, and children are introduced to the language and culture of France with the aid of songs, stories, crafts, drama and lively games.

Our teachers are experienced, trained linguists, and the children easily acquire vocabulary and a good accent by taking part in our enjoyable activities. Children are given a drink and snack that they ask for in French, and we include regular special events such as French food tasting sessions.
