¡Hola Español!

Have fun learning Spanish!

Lunch time Spanish club at
Eastwick Infant School

Club Hola Español is delighted to invite your child to join our fun lunch time Spanish club. Your child will learn Spanish in the most natural way, with lively party games, engaging stories, role-play, a wide variety of fun action songs and creative activities. Every week we practice greetings and general conversation skills, and we introduce one or two new topics each term, such as food, family, pets, transport, clothes, toys and holidays.

The Spanish club is held in a classroom at lunch time with some games outside, and the children will still have time for 15 minutes free play after the club session.

Our teachers are experienced, trained linguists, and the children easily acquire vocabulary and a good accent by taking part in our enjoyable activities. We send you links to online games so that your child can practice Spanish at home with the family.

I look forward to welcoming your child to our Spanish Club ¡Hola Español!
