EASTWICK SCHOOLS UNIFORM

Our School Uniform Intent

At Eastwick we want our children to wear their school uniform in comfort and with pride. We hope that while children are with us they will want to wear their Eastwick uniform and represent our school. Whilst we wish for our uniform to be presentable and smart, we also wish for it to be affordable for our families.

Other Information

Uniform Shop
The Kit Shop in Cobham Road, Fetcham, stock all our uniform requirements. Only items requiring our school logo and the school tie are required to be purchased from The Kit Shop, all other items may also be obtained from any other school uniform stockist, department store or supermarket. Nearly New' uniform is available for sale via the Friends of Eastwick Schools and regular sales are held after school.

Name Items
Each individual item of uniform should be clearly and permanently named so that items may be returned to their owners promptly.

PE Kit
On days when your child has PE, they may wear their PE kit into school for the whole day. This is **not** the case for after school clubs and activities which children will get changed for, when necessary, at the end of the school day.

Children will not be able to take part in PE/swimming if they are unable to remove earrings. See further information below.

Art & Technology
Overalls, an apron or an old shirt should be provided to protect your child's school clothing for activities such as art, pottery and technology; such items can be kept in school at all times.

Earrings, Jewellery and Nail Varnish
Children are not permitted to wear nail varnish or jewellery of any type. If children do wear earrings and are unable to remove them for activities that require them to (such as PE), they will not be allowed to take part in those activities for their own safety. It is for this reason that you are advised only to have your child's ears pierced at the start of the long summer holidays, so that they can be removed by the child once they are back in school.

Trainers
Children may change into their trainers at play times and lunch times but they must change back into their black shoes when returning to class.

Hair
Children with long hair will be required to wear it tied back away from their face all day and shaved designer styles are not allowed. Children may not dye their hair or have hairstyles that are not appropriate for school activities. Hair accessories (e.g. hair bands and clips) must be plain and discreet.

Lost Property
Please ask at the school office if any item is lost; a box is kept in the reception area containing lost property which you are welcome to check regularly.
